

ramayana  
water park

Southeast Asia's biggest world-class water park

## Mission

Ramayana Water Park was developed to become “THE BIGGEST THAILAND’S WORLD-CLASS WATER PARK” and emphasize to provide safe fun and a great day out on top international standard with affordable price for all people generations.

## Location

The water park is located on over 100 Rai area (which is equal to 700 tennis courts) in Pattaya, Thailand.

Enchased by a tropical scenery of beautiful green hills set and lakes, the iconic themed aqua playground is adjacent right to the Big Buddha Mountain and Silverlake Vineyard.

## Theme & Design

Inspiration has come from the world's famous ancient heroic epic "Ramayana".

The story is full of mystery, adventure, magic and love, which were brought to our architecture design for all guests around the world's unforgettable experience.

## Safety standard

Ramayana Water Park's Team is focused on safety of every guest. Over 100 lifeguards certified by Starfish Aquatics Institute which is one of the world's leading innovative provider of training and risk reduction programs.

Our pool sourced its fresh water from our own onsite wells, which provide water cleaned with filtration system. The water quality is drinkable!

## Rides

21 premium water slides were designed and provided by the world's leading water attraction supplier, White Water West Canada, which slides are being used in the world class water parks around the world.

Try our highlight slides of which you will never find in anywhere else in the world.

## Kids's Aqua Playground

Kids have the choice between 2 dedicated and uniquely designed for them at Aqua Play & Aqua Splash. These attractions provide all day fun under the professional supervision and the highest safety standards.

Warning! Kids may not want to leave the water park!

## Attractions

Ramayana is so much more than just exciting water rides. We have packed our extensive grounds with a vast array of activities, both on and off water that will guarantee all day entertainment. Add in our varied refreshment, facilities, restaurant & bar, you will want for nothing.

## Water attractions

- Lazy wavy river - the longest in Thailand
- Relax pool & Bar - sit in the water and enjoy delicious cocktails at the Pool bar
- Double wave pool - two areas with different wave levels for you choice
- Activity pool - Larger than an Olympic size swimming pool

## Land attractions

- River walk - a gentle stroll along the banks within the sights of the natural tropical rainforest
- Green maze - made in our "R" logo shape
- Floating market - experience traditional Thai culture on the river shore
- Magic island - explore the huge iconic sculptures

## Facilities

Keep your belongings safely in a locker, enjoy your time in private cabana, conveniently shop in retail outlet, pamper yourself with a massage by professionals. Instant share your great day's photos with friends through free Wi-Fi, which is provided throughout the entire park.
